**Brother / General Director
Dar Al-Arab for Exhibitions & Conferences**

After salutation,

In appreciation of your distinguished efforts in organising specialised exhibitions, and in recognition of your success in organising the Oil and Gas Exhibition in the last two years,

It gives us pleasure to inform you that the National Oil Corporation welcomes your organising of the third Oil and Gas Libya 2010 exhibition and that we grant you our honorary patronage for organising it.

We also thank you for allocating a special stand to our Corporation in the exhibition, which will provide us with a showcase for sharing our expertise, techniques and strategies with other participants in this exhibition, and which will be an opportunity for us to view new developments in the oil and gas industry through communicating with companies from all over the globe.

With our best wishes for your success...

Peace, Mercy and Blessings of Allah be upon you

**Dr. Shukri Muhammad Ghanem
Secretary
Management Committee
